

INSTRUCTIONS FOR VISITORS – COVID-19

Validity of measures from 13/09 time 6:00
(Government Gazette 4206/B' /12-9-2021)

WE WELCOME YOU TO THE MUSEUM OF BYZANTINE CULTURE AND THE WHITE TOWER.

FOR EVERYONES HEALTH PROTECTION, PLEASE FOLLOW THE HYGIENE INTRUCTIONS BEFORE AND DURING YOUR VISIT TO THE MUSEUM.

Visitors aged 12 years old and over are required to enter the museum by displaying:

- A) Vaccination certificate or
- B) Disease certificate issued 30 days after the initial positive test and its validity lasts up to 180 days after that or
- C) Result of a negative rapid test which has been carried out 48 hours before the entry to the museum or

In combination, for the identity check, visitors must:

- D) display their identity card, or driver's license or another proof of identity.

The above certificates are displayed either in paper form or electronically via a mobile device and are being scanned by the employee through the Covid-free Gr.

Alternatively if the foreign visitors comes from a country outside the E.U., the above certificates are checked in paper form.

- E) Children from 5 to 11 years old can submit a 24-hour self test made by either a parent or a guardian.

Sanitary instructions

- Observance of the appropriate distances of at least 1,5 meters in open spaces and 2 meters indoors.
- One (1) person per 15cm².
- Obligatory use of a non-medical mask.
- Avoid touching parts of the face (eyes, nose and mouth).
- Hand washing with liquid soap and water.
- Use of an alcoholic antiseptic solution with a minimum content of 70% ethyl alcohol.

- Non-use of hand dryers machine (it has been disconnected).
- Evacuation of the toilet bowl with closed lid.

Group Visits:

- Group visits of up to twenty (20) persons, unless there are family members (spouses/cohabitants and children), so the number is increased accordingly.
- When visiting groups with a guide, the distances and the prescribed measures should be strictly observed, the use of wireless tour should be used and the use of common devices (tablets, headphones, etc.) should be avoided.

In our museums there is a controlled flow of visitors per room. Please follow the instructions of the Guard stuff.
